

*Welcome all teachers, staff, parents and precious students to the 2010-2011 school year. We are so excited to getting this year off to a great start. Meet the teachers went very well, the students and teachers really seem excited for Monday, August 9th. If anyone did not get the chance to turn in any of the PTC forms just include them in any back to school paperwork with your student. This year our PTC board is anxious to get some new faces involved in making this a wonderful experience for all of our students. PTC will meet the 2nd Thursday of the month at 9:30 - all parents are encouraged to attend these meetings. It is a time to share ideas on continuing in making this a great school and also a time to make new friends. We will send monthly emails on the updates from the PTC also the minutes from each meeting will be updated on SHME website. For anyone who has questions or ideas for the PTC they are very welcomed by any member of the board. We are all working closely together this year to make it the best so far. Our hope this year is for all students, parents and teachers to have a great experience at SHME.*

*Sincerely,*

*Michele Tillman & Tracy Hale*
